A course specific, 60-day subscription to Post Class Support is included with each Business Software class taken at Benchmark Learning. For 60 days following the last day of each class attended, you will have access to ask questions related to that particular class. You only have access to assistance on the course topics that are covered in the classes you have attended at Benchmark Learning.

Post Class Support is only applicable to courses that are delivered and invoiced by Benchmark Learning. Please speak with your training advisor if you have any additional questions.
